From the Directors Chair

April is finally here! This marks the beginning of our riding season here at our house and for most of us in Northern Illinois.

We love our indoor events during the winter most of us are ready for the spring temps to warm up so we can enjoy our outdoor activities.

Chapter G is doing a great job of creating events for all, riding and indoor events.

We had a good time in the past month with our Spaghetti supper, joining a few Chapter social, other Chapter dinners and our own dinners.

This past Friday we started our 5th Friday of the month Game night.

It was a great time! So much discussion and laughter. Have you ever just sat listened to a group together and enjoyed the conversation and laughter among friends? It was amazing!

We have acquired a few new Sponsors for our Chapter. Thank you Dawn & Randy.

We want to welcome the following New Sponsors:

Holmes Leather Crafting

Twisty's Cycles

R & D Thiel

H2O Express

Co-rider miles 2019—00 :(

We are still looking for someone to take over the Chapter as according to GWRRA guidelines, this is not a position I should be holding along with the District Director Position. Feel free to email me for details and paperwork.

April 2019

Sorry this is a little late, no excuse. We are getting ready for the two Safety weekends coming up. Getting all the paperwork together so that I don't forget something, getting the VOLUNTEER instructors together so everyone knows what to bring and don't have to bring. It's a fair amount of logistics. It all started last year after completing the courses to make sure we conducted ourselves in a respectable manner while using the facilities that we get to use for free. These are public places so we must conduct ourselves accordingly. So far so good. The Vandalia Safety weekend is slowly filling up, but still have some room. The TRC course is full, no more room. The Road Captain Course has room for both Saturday and Sunday, same is true for the Medic First Aid course. The ARC for Sunday has room for 4 more at this time. Sterling is another story. We need some Trikes for the TRC on Saturday or we may have to cancel that course. The Medic First Aid course for both Saturday and Sunday has plenty of room. The ARC for Sunday is filling up and we have room for 4, but we have verbal commitment for 2 more for the class, that would leave room for only 2 more. We put these on for you the membership to improve your skills, riding comfort, and pleasure. I am not complaining but disappointed that we have these trainers and it is not taken advantage of. Jean Potwora has instructors at the ready to help your chapters to put on seminars or modules for learning.

We are going to make a decision about the Sterling TRC cutoff by April 6, 2019 as to whether we will be able to have one. If you are considering about waiting to next year, we may not be holding one as we are getting saturated with those that have taken it and won't need it for 3 year from now.

Thanks

Need to get ahold of me don't be afraid to call or e-mail. If I don't answer your call leave a message, I will call you back. 618-292-4219 sbrungard2@yahoo.com

April fool's day is on Monday. Be careful at work Monday's are ruff enough, add April fool's day and jokes will be flying. It will be spring any day now. While you are waiting just go out and look at the bike. Don't uncover it yet, just look.

These next couple months will be busy with Firemen's Breakfast. The month starts off with **Sunday April 7th** Shannon and Polo. Next breakfast is **April 14th** in Savanna. Chadwick will be on **April 28th**. The very next Sunday is breakfast in Milledgeville on **May 5th**. Let us know if you have one in your area.

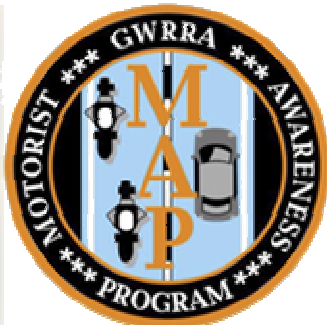

When the weather warms up we could actually ride our wings to breakfast for the public to see our motorcycles and us.

Think spring!

We will see you at the next breakfast or social.

Chapter Ride Coordinator Bob Adams

It's April and the weather is starting to get nice. It's warming up and we have started to get our bikes ready for a long summer of riding and speaking of riding, we do have stuff coming up.

On April 6, we have a ride to Pontiac for "Meet the Chapters". We will be leaving Casey's Gas in Rock Falls at 8:30 Saturday morning and riding past Mendota and taking some back roads to Pontiac. Should be there around 11:00 for lunch and then their meeting. The rest of the month, we have a lot of dinner rides planned, so look in the newsletter and our web page for rides coming up. At the end of April is the Southern Illinois Safety Weekend in Vandalia ARC & TRC courses. On May 3-5 is the Northern Illinois Safety Weekend here in Sterling, IL. We need some more trikes for Saturday TRC course, Sunday ARC looks better good.

At our next monthly meeting, we'll talk about our overnight weekend trip coming up in July 12-14. Well that's about it for now. If you want to ride somewhere and with someone call them and see if they are free.

Chapter G runs on Channel 10.

Witticisms from the: Assistant Chapter Director Matt Shore

What stays where it is when it goes off?

I am an instrument that you can hear, but you cannot touch or see me. What am I?

I am the beginning of the end, the end of every place. I am the beginning of eternity, the end of time and space. What am I?

I am red, blue, purple and green. No one can reach me, not even the queen.

What am I?

I hope everyone has a Happy Easter and enjoy the weather!!
