From the Directors Chair

Hello Everyone,

Wow what a difference 30 days can make.

When the world goes viral crazy it makes you sit back and wonder. It makes think about how important our families and friends are too us. How important it is to us to keep them safe. I always say I would step in front of a bus to save my child's life. So now her I am staying away from all of them, including my grandchildren.

I am still working and this makes me vulnerable to catching something and bringing it back to my home. Even if I don't get sick, or feel sick, a simple hug could do more damage than anyone could realize. I miss my kids and my Grandchildren but I want to keep them safe.

We always think about our time here. We always say we will do this tomorrow, will we?

But thinking that when this is all over we get back to "normal". Will we? Will we not think about every time someone sneezes or coughs is it back?

The only we can do is "hope" and pray that all our loved ones stay safe.

That we will get back to riding, socializing, and enjoying the company of our friends and family in our every day life.

SR Chapter Director, Mary Adams

"They say a person needs just three things to be truly happy in this world: someone to love, something to do, and something to hope for."

This virus is playing havoc with everyone.

We cancelled all of the activities at Sterling earlier last week, now we are canceling all of the activities at Vandalia as of right now,

March 24, 2020.

Those that have sent in your money for Sterling should be getting your refund soon as that paperwork has already been turned in. I will start on the Vandalia paperwork tonight.

Rescheduling is not an option at this time. As far as the levels program everyone that is affected by this shutdown of everything will be not be suffer any setback in the Masters timetable. We hope this will be all over with soon enough and can get out and ride. PMS is really taking a hold on everything. (Parked Motorcycle Syndrome). Now would be the time to invest in more safety chrome while you have time to install it.

Any questions call me or e-mail me or text. If I don't recognize the number please leave a voice message.

I will call you back. 618-292-4219 sbrungard2@yahoo.com

Hello Everyone,

What a crazy time we are in. The weather is slowly getting warmer but the COVID –19 has shut down all future events for now. GWRRA Home office has put our

best interest first and asked us to cancel all socials and riding events until we are able to do so safely.

Since we are home bound it gives us time to work on our bikes and get them ready for the riding season.

Stay Safe, Ride Hard.

Witticisms from the Assistant Chapter Director Matt Shore

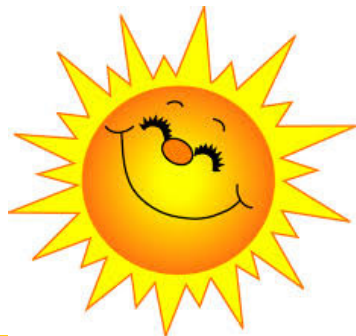

What taste better than it smells?

I am round at the ends and high in the middle?

We hurt without moving. We poison without touching. We bear the truth and the lies. We are not to be judged by our size.

1-16 ounce whipped cream

1 can mandarin oranges
Save the juice
1 pk. Instant vanilla pudding
1 20-ounce can of crushed pineapple

Bake the cake for 40 minutes in a preheated oven at 325 degrees F. Cool on wire rack.
