## From the Director's Chair...

As we welcome this year full of changes we are embracing them with welcome arms. Our ride schedule is coming together. We have added Ice Cream locations and a couple overnights are planned. We will be planning rides with other chapters and adding events as they come up. As always join in with what you can.

We can't do everything.

We have different look on our website and hopefully I can keep up with all the rides and events on the calendar. We are in need of a webmaster and a newsletter editor.

Winter Warm Up was a lot of fun! It is always a good time with plenty seminars, games and entertainment with the Chapter Skits.

Our Spaghetti Supper is fast approaching. Time to give our Spaghetti Supper a little boost. This year we have changed the Wingo to a different style. I hope everyone has a lot of fun and enjoys it.

Our Chapter social falls on February 14th this year. Boy what a way for the guys to get off cheap..lol. We will have a few new ideas for this special social.

SR Chapter Director, Mary Adams

## Motorist Awareness

Welcome to February Barb and I are Chapter G's Motorist Awareness Program coordinators. Are you ready for some firemen breakfast? These are a good opportunity to be out in the public long before we can have the wings out on the road. By going to firemen breakfast you can thank the firemen for their service on the way in, visit across the table with others about seeing motorcycles, all while enjoying breakfast. We have been known to ask a fireman to let us take a photo with them. March is normally the month when the breakfast start. We have a home area connection with Carroll County fire departments because of where we live. We also have friends and family in different departments. We are also willing to travel outside Carroll Country so if you have a breakfast near you let us know. Any one interested in joining us for any of the upcoming dates drop us an email, text or call. It looks like the first one will be at Mt Carroll Sunday March 18, serving 7am till 1pm. The next one will be Savanna Sunday March 25 serving 7am till 1pm We will see you at the next social or maybe for breakfast.

# CHAPTER RIDES

Ride Coordinator: Bob Adams

Hi Everyone,

It's the end of Jan. and winter has been pretty good to us so far. Not a whole lot of snow and I hope it stay that way, we would like to see an early spring. Our Winter Warm-up in Springfield just got over with and it was a pretty good rally. You had seminars to go to if you needed them and Joey from the IL. State Police Dept. also gave an seminar. You had games to play and we also had a new 2018 Gold Wing there, for you to sit on and see how it felt. A big thank you goes out to Bill from Niehaus Honda Litchfield for bring us down one. The turn out was a little down this year, but we still had a good time.

But now back to our Chapter. Soon we will be putting our Ride Schedule together for this year riding season. We will have our normal rides that we always go to, but I think we will put together a lot of weekend rides and I believe some overnight rides and of course we will add rides doing the year.

So lets hope for a early spring, so we can enjoy our bikes again.

Well that's it for now, short and sweet.

Bob
