Happy New Year to Everyone!!

As we start this year off we look forward to the new ideas GWRRR has to offer. Rider Ed has not gone away, it is still most important as we plan our rides and events. Levels will still be discussed and encouraged along with safe mileage.

Some volunteer positions have changed from officers to just volunteers, but the expectations have not truly changed: do what benefits the chapter members.

We will try to add a few more activities and definitely more rides for everyone to enjoy. Please send any ideas you may have to Bob A. for the ride schedule.

Don't change what doesn't need fixing so we will continue the Birthday dinners and all our MAP events. Our Spaghetti Dinner with Wingo will be on March 10th in Polo.

We will work with the surrounding Chapters to coordinate rides with them and encourage everyone to join us.

Let's make 2018 a great year for Chapter G!

CHAPTER RIDES

Ride Coordinator: Bob Adams

Hello Everyone,
Merry Christmas and a Happy New Year.

Yes it's that time of year, 2017 is over and 2018 is here. With that said we are looking forward to a new beginning.

A new beginning you say, yes I say. Now we can sit down and think about what we want to do, as a chapter this coming summer. How many rides we want to put Together? How many weekend overnight rides we want if any? How many weekends we want to have a ride.? We are all busy doing things during the summer that

we can't or don't want to ride every weekend. But I think we must plan a ride at least every other weekend, to keep the Chapter together. Without rides why have a Chapter?

So lets put our thinking caps on and in the next month or so, we will be putting our rides together and hopefully have an early spring.

Here are some things coming up on our list for January:

Saturday January 6th—10:00 a.m.— MFA-CPR—KSB Hospital, Dixon

Dinner to follow afterward at Angelo's, Dixon

Wednesday January 10th—Chapter Social—Pizza Ranch, Sterling

Friday January 12th—6:30 p.m.—Chapter Birthday Dinner, Smoked on 3rd, Sterling

January 19th & 20th—Winter Warm Up—Springfield, IL.

I believe that's about it for now. We will start getting busy as the months roll on.

Illinois District Ride Educator Steve & Jeannie Brungard

Hello Illinois District.

Let us introduce ourselves for those that do not know us. We are Steve & Jeannie Brungard. We are your Illinois District Educators. Jeannie and I joined GWRR in 2000. We started out on a 1986 GL1200, then moved onto a 1996 GL1500, then to a 2005 GL1800, and our current ride is a 2013 GL1800 trike with a Roadsmith conversion. We live in Vandalia and our home chapter is Chapter U. We have been Chapter Directors, Chapter Educators, treasurers, newsletter editors, then presented the Senior Chapter Educator, and currently we are the District Educators. We are Senior Master level 4 riders. Our daughter Kelli is also a master level 4 co-rider. I am an Eagle Scout and we have a son that is an Eagle Scout. We have three children and as of this writing we have 7 grandchildren. We got interested in rider education when we attended Pontiac's Safety weekend several times. Jerry Allhands started the fire about rider safety and we take it seriously. Dan and Linda Sue have kept rider education first and foremost on everyone's mind and we hope to do the same. I am a seminar presenter, and Rider Coach Instructor to teach trike courses.

Kris Andre will be staying on as our assistant and he is a very valuable asset to the rider education cause. He and Dan work so good together to put on the rider courses, they are like a well oil machine. Dan promised me he would still answer the phone when we needed help.

For those former Chapter Educators and some Chapter Directors that had to send in the N6 reports, you will not have to do them as of January 1, 2018. **ALL** rider education seminars, and copies of MFA/CPR training need to be sent to me so it can be put into the database.

This means ALL training.

E-mail them to me at: sbrungard2@yahoo.com, my cell number is 618-292-4219.

Snail mail address is 1800 W. St. Louis Ave. Vandalia, IL. 62471.

All levels requests come to me also.

Any questions do not hesitate to call or e-mail.
